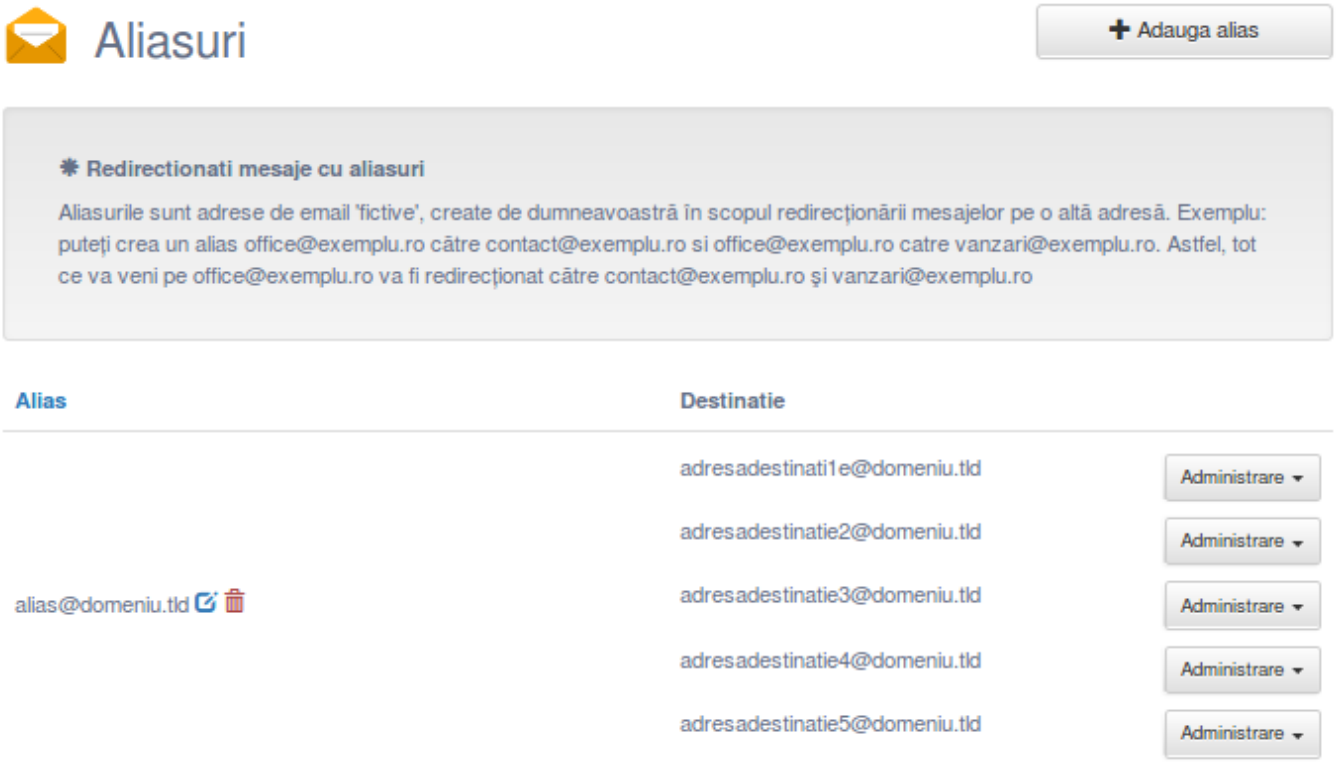
Cum adaug adrese la un Email Alias existent?

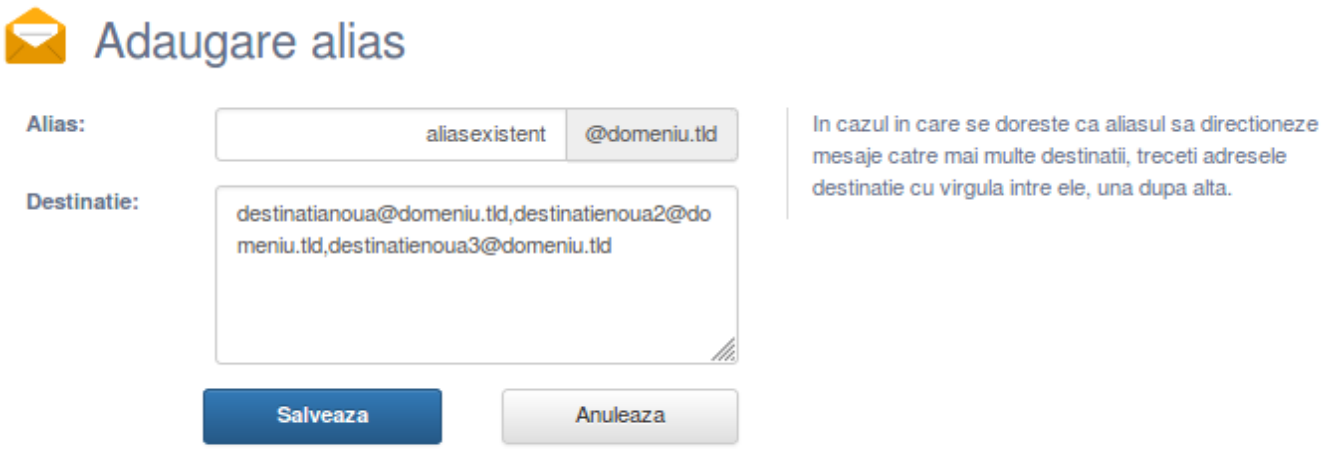
Pentru a adauga adrese noi la un **Alias** existent accesati meniul **Aliasuri**:

- apasati in dreapta sus pe **+ Adauga alias**



- la **Alias** treceti numele aliasului existent, cel la care doriti sa adaugati adresele

- la **Destinatie** adresa noua iar in cazul in care doriti sa adugati mai multe, separati adresele intre ele cu **virgule**



- Salvati

Noile adrese ar trebuii sa se afiseze in lista acelui Alias
