Email

Se poate configura orice email pe aplicatia Android Gmail?

Avantajul major esta ca poti adauga multiple conturi de email, nu doar de la Gmail (Outlook, Yahoo, sau orice alt cont de email IMAP sau POP3) chiar si conturile de email gazduite la Zooku.

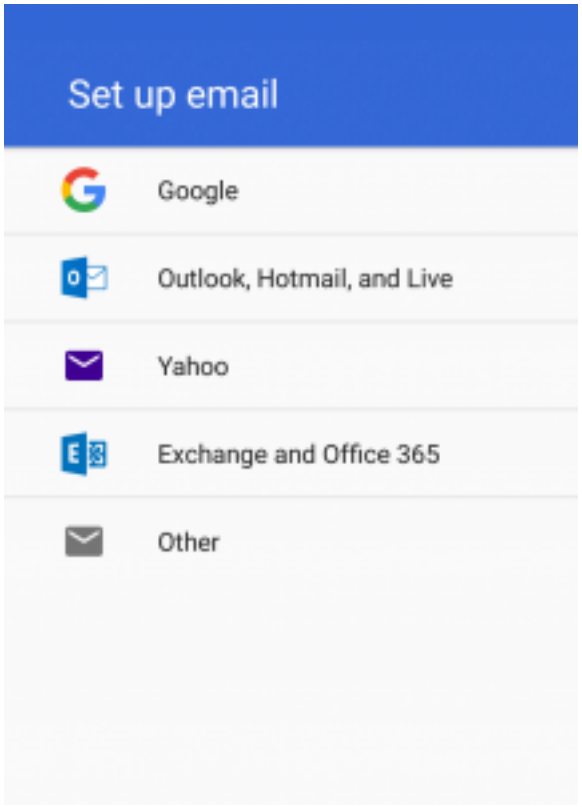
Deschide aplicatia Gmail de pe telefon

Din partea stanga-sus a ecranului, deschide meniul

Apasa pe sageata din dreapta ecranului

Apasa **Add account** +

Mergi la optiunea **Other** pentru a adauga adresa ta de email gazduita la Zooku:



Adauga adresa ta de email:
