

Email

Am primit un mail cu titlul "Email Login Verification" e spam sau e real?

Mesajul este un Spam, trebuie ignorat. Zooku trimite mesaje in limba Romana si in mesaje apar datele de contact ale companiei, iar mesajul este trimis de pe adrese @zooku.ro

Exemplu mesaj:

Our Webmail Security service discovered irregular Log-in attempts on your email account from IP location (213.1.1.674). and also been used to send out spam messages as against our policy. For security purpose we will be closing down this Account unless you click the link below to re-validate your mailbox for verification username and password.

[Click here](#)

We strongly advice you not to share your password with anyone for your Email security purpose.
