Am primit un mesaj cu subiect "Deactivation Request" ce sa fac?

Daca ati primit un mesaj cu un text asemanator celui de mai jos, trebuie sa stiti ca acest tip de mesaje sunt tentative de frauda si nu este necesar sa va faceti griji. Marcati mesajul ca si spam in aplicatia de mail si ulterior il puteti sterge.

Server messages

Dear users, adresa@numedomeniu.ro,

Our records indicate your recent request to close your email (adresa@numedomeniu.ro). This requires us to deal with it as soon as possible

If the request is accidentally acquired and you have no knowledge of it, it is recommended that you cancel the request now

[Cancel the request](#)

However, if you do not cancel this request, your account will close soon and all email data will be permanently lost.

Greeting .
