Advanced File Manager

Cum dezarhivez fisiere cu Advanced File Manager-ul Zooku?

Accesati Advanced File manager-ul din interfata Zooku apasati **click dreapta** pe arhiva pe care doriti sa o dezarhivati si apasati pe **Extract**

In partea de sus o sa apara o mica bara albastra punctata si un indicator de progres

la finalizare fisierele vor aparea in acelasi director unde era arhiva.
