Cum sterg sau modific un redirect Web?

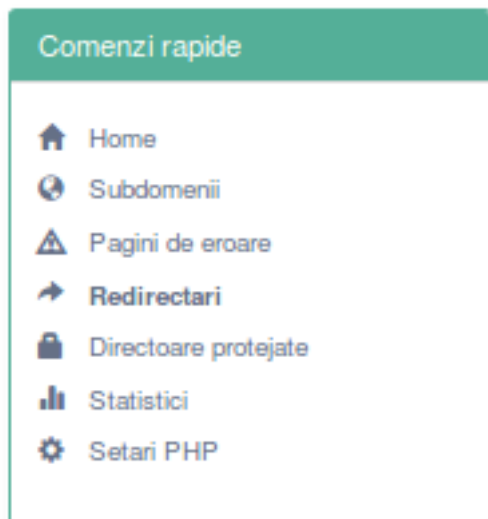

Dupa logare in interfata de administrare de pe site-ul **Zooku.ro**
(<https://my.zooku.ro>) accesati meniul **Administrare gazduire**

- click pe **numele domeniului** la care doriti sa faceti modificari
- click pe meniul **Web**

- in partea stanga accesati meniul Redirectari

- in partea stanga in dreptul redirectarii actuale apasa pe butonul de **setari**

- alege **editeaza** sau **sterge** in functie de operatiunea dorita
