## Cum redirectez domeniul meu catre WWW.domeniulmeu.tld pentru a functiona pe Gomag?

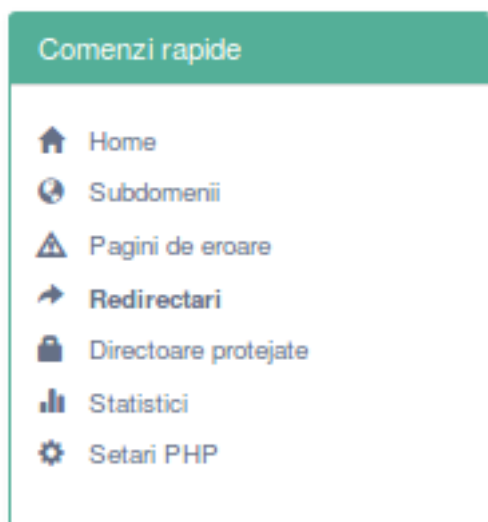

Dupa logare in interfata de administrare de pe site-ul [Zooku.ro](https://zooku.ro) accesati meniul **Administrare gazduire**.

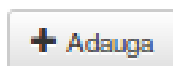

- click pe **numele domeniului** la care doriti sa faceti modificari
- click pe meniul **Web**

- in partea stanga accesati meniul **Redirectari**

- click pe + **Adauga**

# Hosting

- la "Tip" alegeti **Permanent**
- la "**Catre linkul**" introduceti URL-ul domeniului dumneavoastra, sub forma de **link**. (<http://www.numedomeniuluidvs.tld>)
- apasati pe **Adauga**
